ARIZONA CORPORATION COMMISSION
DOCKET CONTROL

Dear Commissioner Pierce,

Southwest Gas is asking for a rate increase of about \$40 a year for the average single family residence.

They also ask for "decoupling" to guarantee part of their revenue. With "decoupling", even when ratepayers use less gas we may not pay less.

Thousands of Arizonans are out of work.

There have been no Social Security COLA increases for two years.

The cost of food and gasoline are way up. Many homes are in foreclosure.

Now is not the time to raise our gas rates.

As an elected Commissioner please vote NO on the Southwest Gas rate increase and decoupling request!

Thank you.

Sincerely,

Mr. Tony Giaccio
